Rip It Up brings the past into the present with a brand of 50's and 60's rock n roll with splashes of swing, that still has the capacity to compel an audience to move and groove. The band takes danceable tempos from classic rock n roll and swing, then elevates the listener and dancer through the sheer energy of the their performance.

### Get Back

Getback is an Adelaide based rock 'n' roll band who re-live the great sounds and fun times of the 50's and 60's era. From slow cheek to cheek hits, to full-on rock 'n' roll, they are all there. The Beatles, Elvis Presley, Carl Perkins, Chuck Berry, Little Richard, Jerry Lee Lewis, Ol'55, Daddy Cool and The Beach Boys are just some of the artists they pay tribute to.

### TJ & the Twinspinners

TJ and the Twinspinners formed in late 2002. They play the style of music from the 50's Rockabilly / Rock 'n' Roll era including

tributes to artists such as Elvis (early) and Buddy Holly. The band has a great mixture of Rockabilly and Rock 'n' Roll tunes. They have played at festivals from South Australia to Queensland including Wintersun Festival.
